“The Michael Benson Band has been one of our top entertainers for many years now at SH Worldwide. They are true “crowd pleasers” as they conform easily to various types of audiences and requests. Whether it’s background jazz for a cocktail reception or a big band dance party, Michael and his team always shine. They are also a dream to work with professionally as they arrive early and are dressed to the nines with big smiles on their faces.” – The Team at SH Worldwide
